To check the grade for your students in the Aportfolio ASULearn lab, follow the directions below:

First click on the *Aportfolio Lab* site in your Asulearn Dashboard.

Then click on GRADES.

In the Gradebook make sure you click on VIEW and GRADER REPORT.
Then in the SEPARATE GROUPS drop-down menu select your course and section.

From there you will see all the scores for your students in that section.

If you have additional questions about this please email me at grayje@appstate.edu to set an appointment time and I will be happy to go over this with you.
