

If you are enrolled in a course using Aportfolios, you must *link the course to your ePortfolio* in order for your instructor to view it.

<p>Step 1</p> <p>To add permissions, first, click on the settings menu.</p>	 <p>The screenshot shows the top navigation bar with 'EDIT MODE' and 'PUBLISHED VIEW' options. A yellow arrow points to the settings menu icon (a gear) located in the bottom right corner of the page content area.</p>
<p>Step 2</p> <p>Next click settings.</p>	 <p>The screenshot shows the settings menu open on the right side of the page. A yellow arrow points to the 'SETTINGS' option, which is highlighted in blue.</p>
<p>Step 3</p> <p>Under the permissions section, you will see "Also share with specific people, groups, or courses." Click the edit button.</p>	 <p>The screenshot shows the 'PERMISSIONS & SHARE' section. A yellow arrow points to the 'Edit' button next to the 'Admin' user name in the list of users.</p>

Step 4

Type your course into the text box. When your course appears, **double-check that the section number is the section you are enrolled in** and click it.

Step 5

Finally, click save settings.
