

Editing the Navigation Menu, Background, and Text

To change the navigation menu in your Aportfolio, follow the directions below.

Navigation Menu

Step 1	<p>If you need to edit your navigation menu, click on the white space in the menu.</p> <p>*This will bring up a notice that you are interacting with the header slide.</p>	
Step 2	<p>Next, you will need to unlock the header by clicking on the lock icon.</p>	

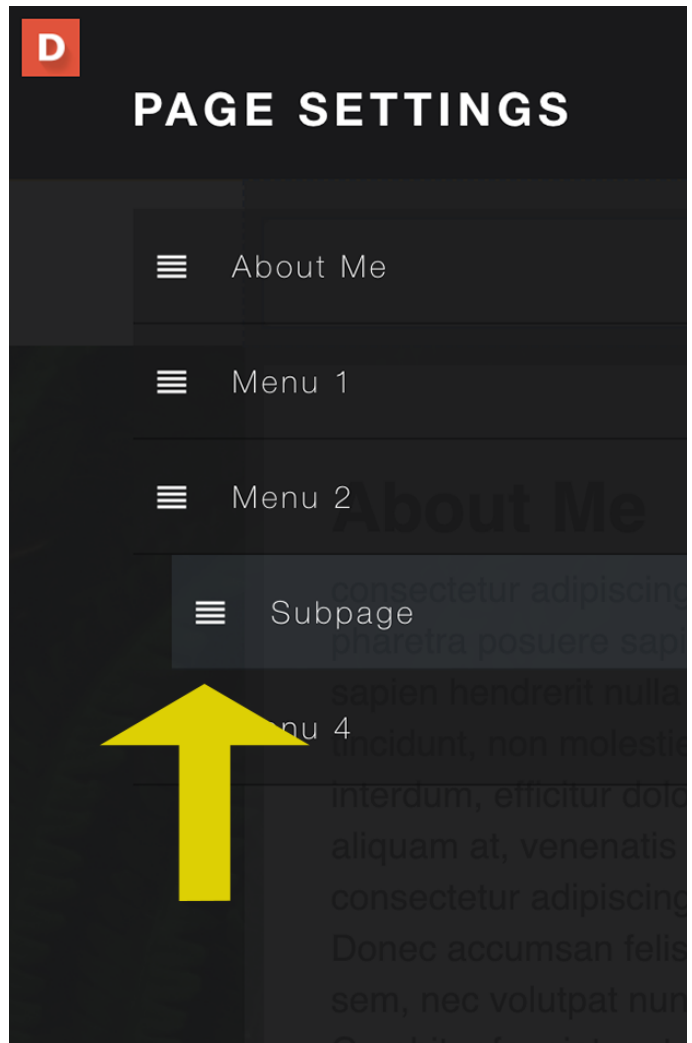

<p>Step 3</p>	<p><i>*You will see a notice saying all changes made to the slide will be visible on all pages.</i></p>	 <p>The screenshot shows the ePortfolio editor in 'EDIT MODE'. At the top, a notification bar states: 'You're editing the Header Section. Changes to this section will be visible in all pages of your ePortfolio.' Below this, the navigation bar includes 'Me', 'Menu 1', 'Menu 2', and 'Menu 3'. A yellow arrow points to the 'Me' menu item. The main content area features an 'About Me' section with placeholder text and a background image of a dancer. Another yellow arrow points to the 'Published View' toggle switch in the top right corner.</p>
<p>Step 4</p>	<p>To edit navigation, hover over the menu and click the edit button.</p>	 <p>This screenshot shows the navigation menu area with 'Menu 3' and 'Menu 4'. A yellow arrow points to the edit button (pencil icon) in the right-hand toolbar. The background image of the dancer is visible below the menu.</p>

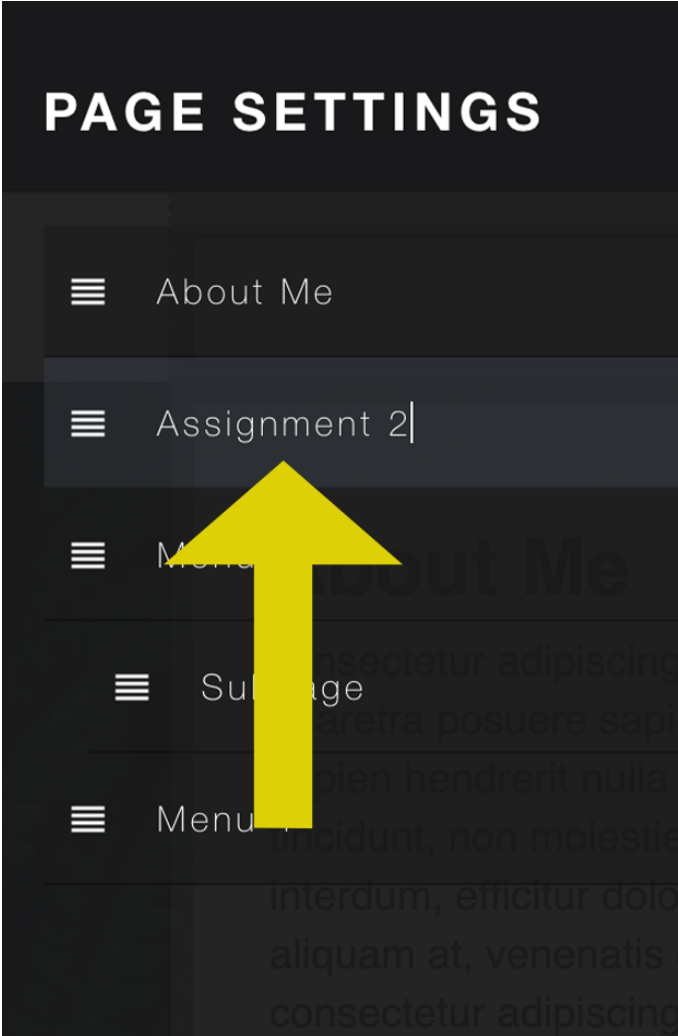

<p>Step 5</p>	<p>Here you will find all of the pages and subpages you have created.</p> <p>To add a new page, click add a new page and give it a title.</p>	
<p>Step 6</p>	<p>MOVING PAGES</p> <p>If you need to move a page, click on the hamburger icon to the left of the page name, drag, and drop.</p>	

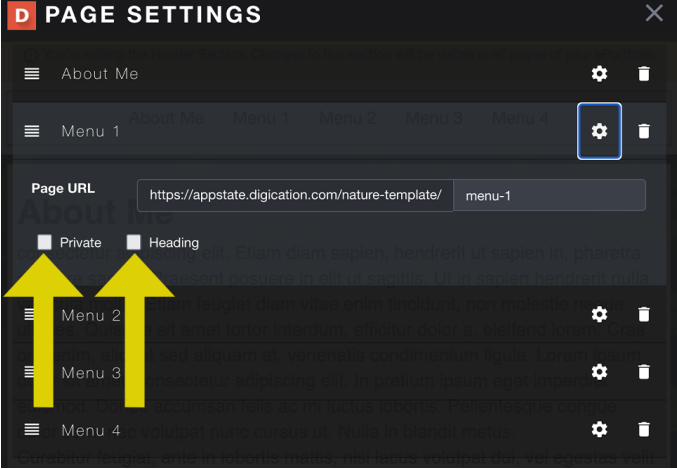

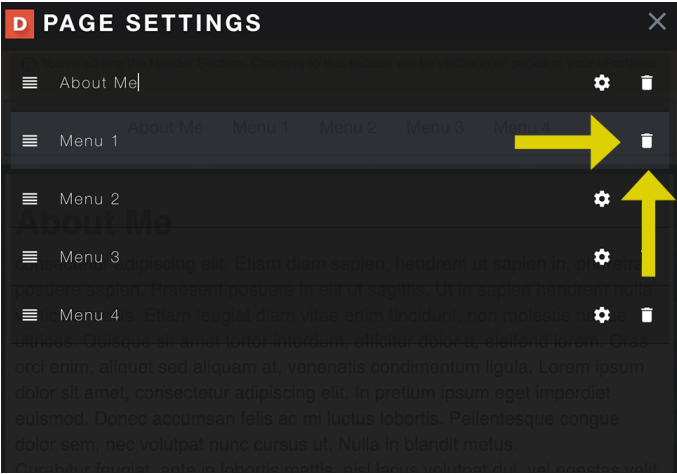

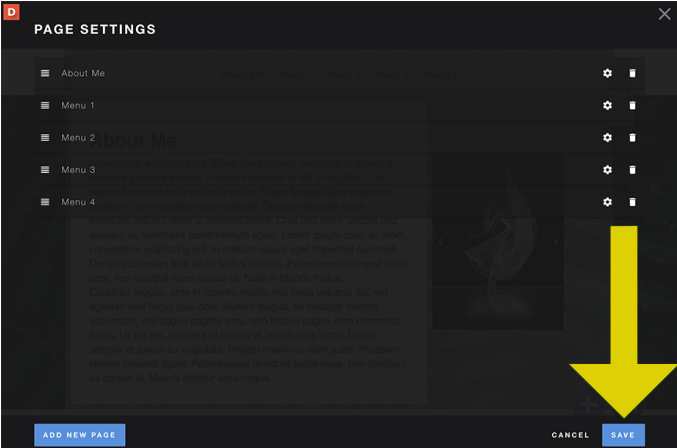

Step
7

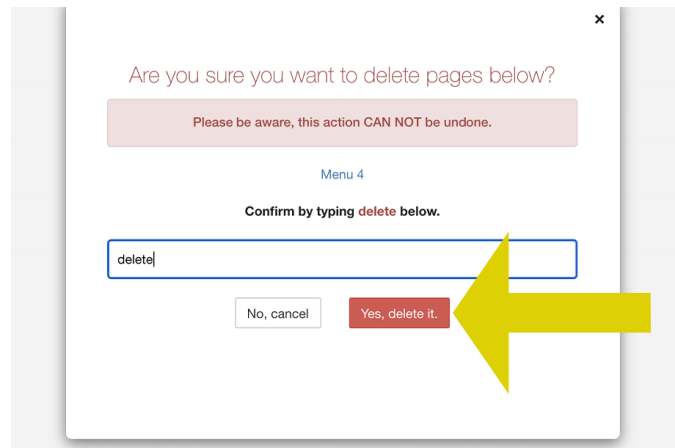

SUBPAGE

If you would like to designate a page as a subpage, click on the icon and drag the page to the right.

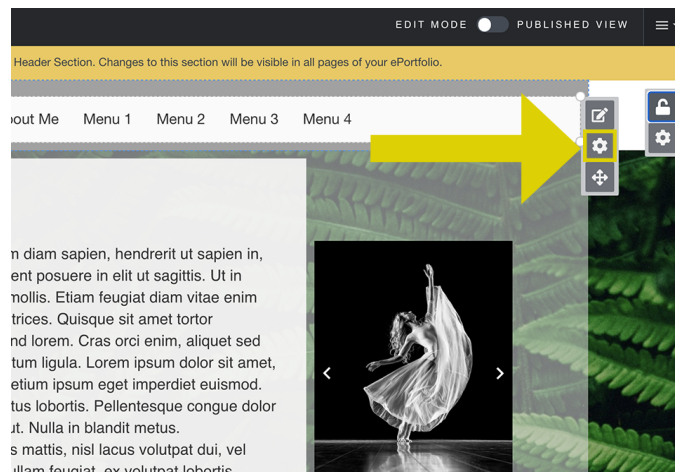

<p>Step 8</p>	<p>EDIT TITLES</p> <p>To edit the title of a page, click on the title.</p> <p>After you're done there is no need to hit enter unless you need to create another new page.</p>	 <p>The screenshot shows a dark-themed 'PAGE SETTINGS' window. It contains a list of pages, each with a hamburger menu icon on the left and a title on the right. The titles are 'About Me', 'Assignment 2', 'Menu 1', 'Menu 2', and 'Menu 3'. A large yellow arrow points upwards from the bottom towards the 'Assignment 2' title, highlighting that titles are editable.</p>
<p>Step 9</p>	<p>If you need to either make a page private from viewers or a header, click the settings icon on the right side of the page.</p> <p>*Making a page a header will make it unclickable</p>	 <p>This screenshot shows the 'PAGE SETTINGS' window with a list of pages. Each page entry has a settings gear icon and a trash can icon on the right. A large yellow arrow points from the right towards the settings gear icon for 'Menu 1', indicating that clicking this icon allows for further configuration of the page.</p>

<p>Step 10</p>	<p>Then click on either Private or Header.</p>	
<p>Step 11</p>	<p>DELETE PAGES</p> <p>If you need to delete pages, click the trash icon.</p>	
<p>Step 12</p>	<p>Once you are done, click save.</p>	

<p>Step 13</p>	<p>If you have deleted pages, you will receive a prompt that will require you to type delete.</p> <p><i>*You must type “delete” in all lower cases. Then click “Yes, delete it.”</i></p>

Navigation Text, buttons, and Background

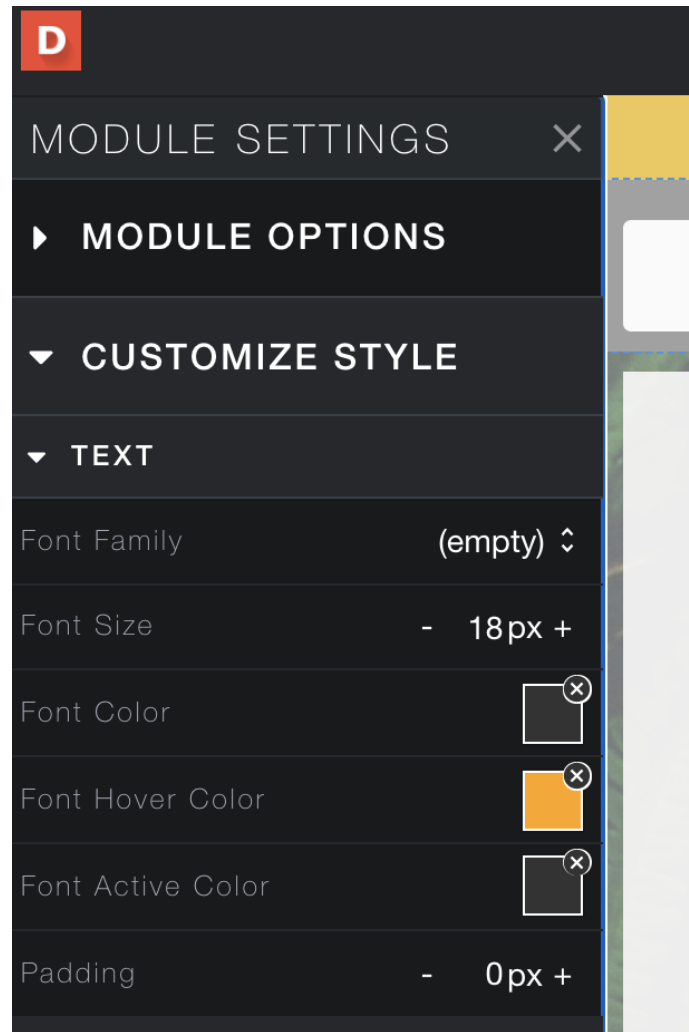

<p>Step 1</p>	<p>To edit the design of your navigation menu, hover over the menu and click the settings icon.</p>	
----------------------	---	---

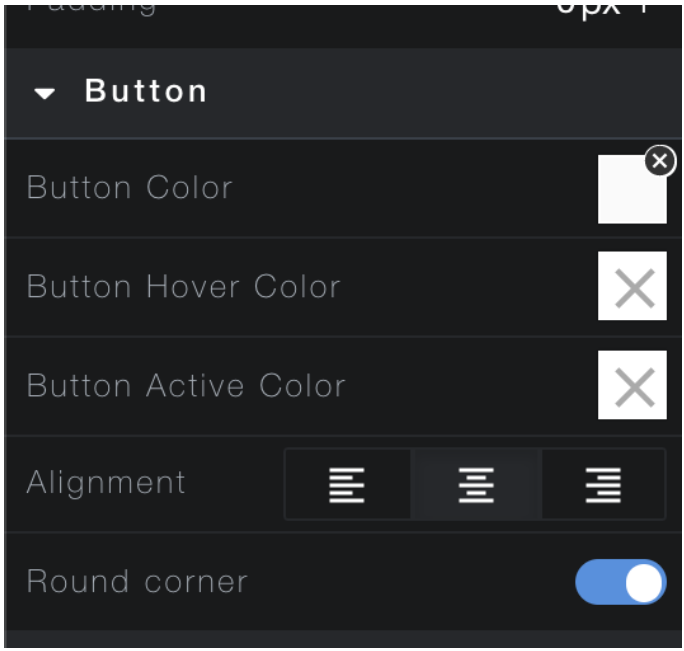

**Step
2**

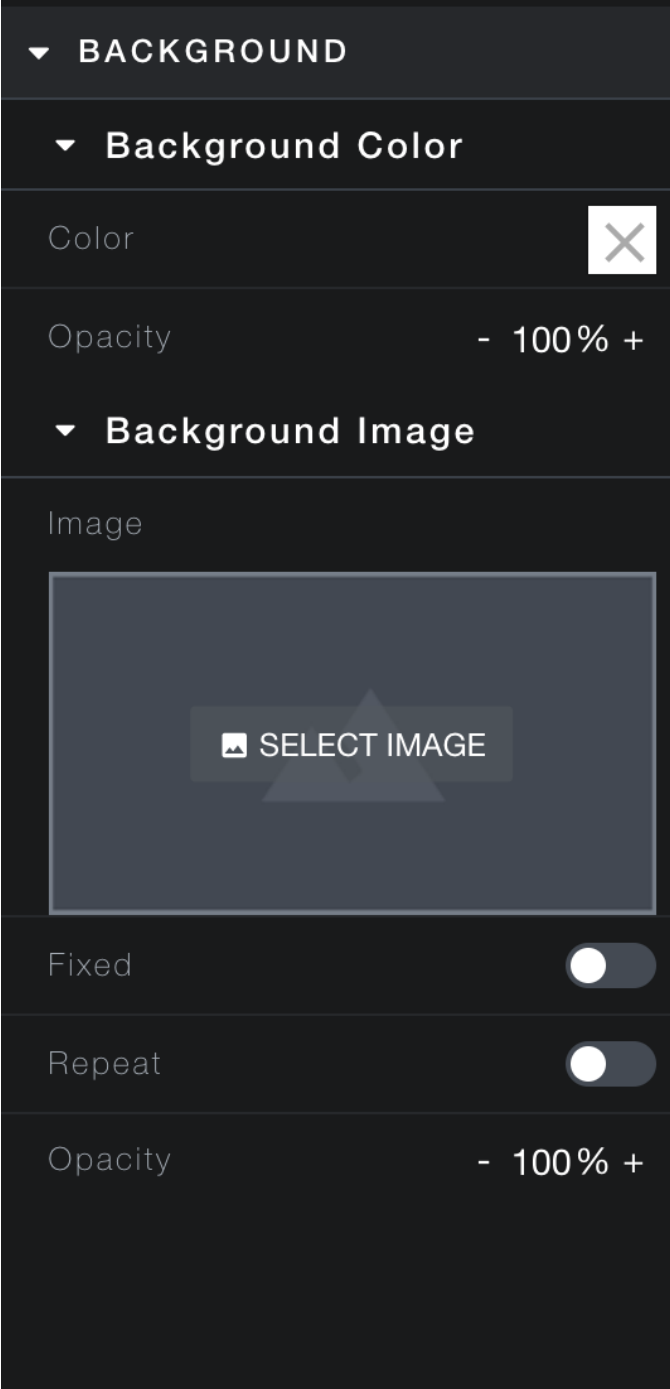

Under the **Text** dropdown, you can choose a font, font size, font color, font hover color, and font active color.

*Hover Color is the color your text will change to when the mouse hovers over it.

*Active Color is the color your color will change to when you are currently on a page.

<p>Step 3</p>	<p>Under the Button dropdown, you can choose a button color, hover color, active color, text alignment, and whether you want your button to have round or sharp corners.</p>	 <p>The screenshot shows a settings panel for a 'Button' component. It includes color pickers for 'Button Color', 'Button Hover Color', and 'Button Active Color'. There are also three alignment options represented by icons (left, center, right) and a 'Round corner' toggle switch which is currently turned on.</p>
----------------------	---	---

<p>Step 4</p>	<p>Under the Background dropdown, you can change the color background/opacity, background image/opacity, and create a seamless background for your whole page.</p> <p>Seamless Background Tutorial</p>	 <p>▼ BACKGROUND</p> <p>▼ Background Color</p> <p>Color </p> <p>Opacity - 100% +</p> <p>▼ Background Image</p> <p>Image</p> <p></p> <p>Fixed <input type="checkbox"/></p> <p>Repeat <input type="checkbox"/></p> <p>Opacity - 100% +</p>
----------------------	---	---
